Our storage cabinets can both be stationary or mobile, and come available in steel or laminate. We offer a large and extensive range of specialised storage cabinets and shelving that can be used to store music, laboratory supplies, library books, and other specialty items.

We understand that having the appropriate sized storage unit will ensure that your work area remains neat and tidy; so whether you need the security provided by stationary cabinets or the convenience of a mobile cabinet, we have the solution to fit your need. All backed by our 5 year warranty.
