Our leather chairs are available in white, cream, tan or black, with polished aluminium or polished steel cast base. Medium and high back designs are available, with optional chrome cantilever visitor frame.

Depending on the chair requested, choose genuine Italian leather or synthetic leather, lockable knee tilt with gas lift or 5-position tilt mechanism, and fixed cast polished arms with optional zipped removable arm pads.

Some cantilever varieties also offer a soft pad option.

MILANO (featured overleaf)

The Milano range consists of the mid back cantilever (available in black only), mid and high back chairs (available in black, tan and white) and are made from synthetic leather. With each chair offering a two year warranty; the polished cast steel base, padded seat and back, and cast polished aluminium arms will definitely transform the environment and lift the profile of any business.

Measurements; Cantilever; 570w x 420 d x 900h, Mid Back Chair; 570w x 420d x 900-970h and High Back Chair; 570w x 420d x 900-1145h
