seating nebula series

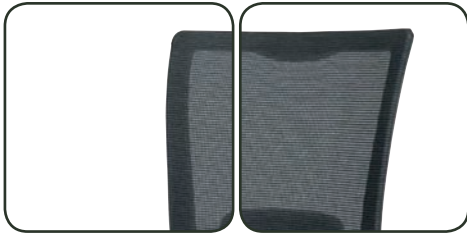

The Nebula Series features synchro mechanism, chrome gas lift and polished alloy base. Each comes standard with moulded seat foam, "T" adjustable arms, in black vinyl or your choice of fabric and a three year warranty. With the added comfort of mesh back rest, it also has a height and depth adjustable lumbar support.

Optional features include:

- "T" or "Z" adjustable arms
- Friction castors
- Brake castors
- PU tread castors
