worksystems call centres

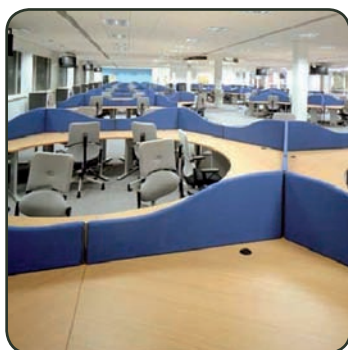

We specialise in a large range of call centre workstation furniture, offering 30 years experience in this ever changing field of work and options to suit any budget.

Our systems are versatile, functional, and very flexible to suit this ever growing industry.

We also offer a large range of storage units, pedestal, bookcases & accessories to compliment this range.

worksystems call centres

We specialise in many custom made/ designed call centre workstation to suit your special requirements and floor plan design.

Screens are available with our environmentally friendly, pin-able substrate. Each panel can be upholstered in a range of colour fabrics, whiteboard finishes or laminate/veneers, with the option of our flush mounted function rail, which allows hanging accessories to also be utilised.

Our standard worktops can be specified as 25mm or 33mm thick with square or soft rounded corners (50mm radius), however custom edge profiles and finishes are also available upon request. Choices of finish include selected laminates, timber veneers and coated MDF in a range of standard colours.
